Deforestation Policy

Schreiber Foods, Inc. (Schreiber) aspires to preserve global forests by implementing responsible sourcing practices and promoting sustainable land management to minimize deforestation. The following policy has been created to outline Schreiber Foods, Inc.'s commitment to preserving global forests. All Schreiber Foods, Inc. suppliers are expected to comply with the policy.

Policy Objectives:

1. Maintain sustainably sourced palm oil procurement through the Roundtable on Sustainable Palm Oil (RSPO) mass balance program.
2. Understand and audit our suppliers on their deforestation strategies.

All Suppliers to Schreiber Foods, Inc. play a crucial role in our commitment to preserving global forests. As such, we expect them to:

1. Source ingredients/products containing any palm oil, palm kernel oil, or palm oil derivatives through the RSPO mass balance certification program.
 - a. Suppliers may also choose to source through the RSPO segregated or identity preserved systems at their discretion.
2. Source raw materials from suppliers who adhere to sustainable and ethical forestry practices.

For more information on RSPO certification systems, please visit <https://rspo.org>.

Regular audits will be conducted to ensure compliance with Schreiber Foods, Inc.'s Deforestation Policy and that suppliers meet the expectations regarding deforestation. Furthermore, Schreiber Foods, Inc. will work collaboratively with suppliers to understand their deforestation strategies and encourage continuous improvement.
