

Food Safety & Quality Culture

Food Safety & Quality Culture

FEEDING OUR LOVED ONES...AND YOURS

DOING GOOD THROUGH FOOD®

WHAT IS IT?

Our shared beliefs, mindset and expectations to continuously improve our food safety and quality standards.

WHO?

It's all of us.

WHY?

DRIVE GROWTH & IMPACT

by improving quality and eliminating food safety illness

keeping our friends, family and everybody who eats our food safe

HEAD TO HEART

Understanding why we do the things we do and believing – head to heart – reinvigorates us to keep doing things right.

IS THIS NEW?

NEW

No. It's in our core.

PASSIONATE PARTNERS

OWNERSHIP

CUSTOMER OBSESSED

EXCELLENCE

BRILLIANT AT THE BASICS

GROWTH

CARING

IMPACT

SIMPLICITY

OUR PEOPLE

PARTNERSHIP

OUR COMMUNITIES

OUR FOOD

OUR EARTH

We will be a leader in food safety and quality - not just for our customers, but for everyone who enjoys food.

OUR JOURNEY | It's an evolution

Schreiber has been on its food safety and quality journey since we were founded in 1945. As an established leader in the food industry, we will continue to evolve.

Be practical

Build on our strong foundation

Improve existing ideas

Help to continuously improve

Do it better

Make the safest and best quality food in the world

HOW?

VISION

Every partner is a champion of food safety & quality and proud to feed our food to their loved ones.

MISSION

Emphasize consistent behaviors and align resources to reinforce our food safety and quality culture.

APPROACH

5

PILLARS

Identified by the Global Food Safety Initiative – a diverse group of pros from around the world

1

MISSION & VISION

Leadership messaging on direction and expectations

2

PEOPLE

Food Safety & Quality Culture (FSQC) partner training and engagement, recognition programs

3

CONSISTENCY

Performance metrics and KPI's

4

ADAPTABILITY

Embrace continuous improvement and implement effective problem-solving tools

5

HAZARD & RISK AWARENESS

Foundational hazard and risk education and communication plan to escalate risks

We'll have subject matter experts (SME) with extensive knowledge who will:

- Answer questions
- Create training

We'll also have Area of the World (AOW) Implementation Leaders who will:

- Facilitate work in and between facilities to share ideas and best practices

All partners play an important role. Our success is driven by you.

- Focus on how YOU make an impact
- Be personally accountable
- Give feedback and ideas
- Be a **CHAMPION!**
